GSSCC Breed Survey

Required Documentation Checklist

Are you entering your dog for a breed survey or re-survey? Is your club hosting a breed survey? If so, you may find this checklist useful to ensure that you have all the necessary paperwork in order – which will then also facilitate the timely processing of your dog's breed survey.

Please note that **copies** of the documentation listed below are **to be submitted** to the hosting club **with your entry form**. This allows the show secretary to review and verify the information, and also complete some of the preliminary paperwork, prior to the day of the breed survey.

On the day of the breed survey, the **ORIGINALS** of the paperwork **must** be submitted to the show secretary, who will then verify the paperwork. Show secretaries will need to retain some originals as these are required to process the breed survey.
