

Helper Workshops

The K9 Force Working Dog Club is excited to present a series of four (4) Helper Workshops, developed in cooperation with German Shepherd Schutzhund Club of Canada (GSSCC) teaching helper Darren Pidruchney.

The Helper Workshops are focused on the development of certified trial helpers with a desire to work future championship events. From skip drives to stick pressure test, these workshops are packed with information, both theory and practice.

The goal of the Helper Workshops will be:

- To promote safe helper techniques and exercises
- To produce the highest possible level of consistency within the protection phase of IPO
- To develop helper skills under the supervision of a nationally certified trial helper

Series Features:

- Training focusing on fundamentals and skills development
- One on one time with the Teaching Helper along with some constructive criticism of your helper work
- PowerPoint Presentation (TBC with Darren)
