

Win \$200.00 GSSCC LOGO CONTEST

Based on research with members and suppliers, the marketing committee feels it is a positive and interesting exercise to hold a contest to have the members select a logo that they feel best represents the organization.

We have received some submissions as shown here. The oldest and newest versions of the Logos are included. They are numbered for reference purposes only.

We encourage you all to submit your ideas and your own designs.

Please address submissions to the GSSCC Marketing Committee
